all positions, including that of the Executive Director. The most recent review was in 2020 and implemented in 2021. The Organization purchased salary data for regions in which we have staff from an outside salary benchmarking firm, Birches. Management worked with Birches and an external HR consultant to translate that data to our organization's positions and set salary ranges for different levels of responsibility, cost of living in different geographies, etc. Prior to this, the Organization updated its formal pay policy in its global employee handbook, which was updated as a whole in 2020-2021. The governance committee of the Board of directors reviewed the pay policy and the salary review process and results, and recommended to the full Board that it be approved, which it was by the full Board of directors as noted in the minutes of the applicable Board meeting. The pay policy and salary data are used by senior management to evaluate salaries for all staff, except the Executive Director, on an annual basis. Management recommends to the Board of directors a lump sum for salary increases as part of its budget recommendations and once approved, management distributes that lump sum among individuals based on its pay policy and the most recent salary comparability data. This same pay policy and salary comparability data is made available to the Board of directors to be used as a reference in its annual review of the Executive Director's compensation. The Executive Director's salary was not reviewed in 2020 or adjusted in 2020 but will be in 2021.
